the System. The operation of this preparation is three-fold. It acts as a tonic, strengthening the digestive power and restoring the appetite, as an aperient, peculiarly suited and gentle in its laxative effeet, and as an antiseptic, purifying the fluids of the body, and neutralizing in the blood the active principle of disease. The many well authenticated cures of Scrofula of the most malignant character wrought by Sands' Sarsaparilla, have given it a wide and deserved celebrity. But it is not alone in Scrofula nor in the class of diseases to which it belongs, that this preparation has been found beneficial. It is a specife in many diseases of the skin, and may be administered with favorable results in all; it also exercises a controlling influence in bilious complaints; and when the system has been debilitated either by the use of powerful mineral medicines or other causes, it will be found an excellent restorative. The following interesting case is presented, and the reader invit-

ed to its careful perusal. New York, April 22, 1845. Messrs, A. B. & D. Sands: Gentlemen: Feeling it a duty due to you and to the community at large, I send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay. I was troubled with a severe ulcer on my anele, which extended half way up to the kme, discharging very offensive matter, itch ing, burning, and depriving me often of my rest at night, and very

I was recommended to use your Sarsaparilla by Mr. James Me Connell, who had been cured by it, and after using five bottles I was completely cared. The following statement is from a gentleman who is one of the first Druggists in the city of Providence, and from his extensive knowledge of medicines of every kind, and his experience of the effects of Sands' Sarsapavilla, his opinion is one of peculiar value to the afflicted. Feeling a deep sympathy with those who are afflicted with this most tormenting and painful complaint, I cannot refrain from earnestly recommending to such the use of this valuable specifie. Having the most entire confidence in the medicine and skill of Doctor Best Rio Coffee at 10 cents, Young hyson Tea at 25 cts to \$1 00, Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many others commendatory of its invaluable properties, unknown to and unsolicited by the Messes, Sands.
